7. Are the rents subsidized?

Heritage Village at Moorestown is not a rent subsidized community. It is considered a low-income housing tax credit community, which means the rents are lower than comparable market rate communities, and minimum and maximum income restrictions apply. Residents are expected to pay the full rent. Common housing assistance vouchers are accepted including, Choice Voucher (Section 8), VASH (veterans), NED (non-elderly-disabled), and SRAP (state rental assistance program).

8. What are the requirements for eligibility?

Anyone is welcome to apply. However, Heritage Village is an age restricted rental community and at least one of the occupants in each apartment must be 55 years of age or older. Specific financial requirements will be addressed by our Compliance Staff as part of the Application process

9. How long are the leases on the apartments? When will the rental rates change?

The leases are for one-year. Rental rates are affordable, and are monitored by the State through the Low-Income Housing Tax Credit Program and can change yearly, upon renewal.

10. How much are the application fees?

There is a $50 non-refundable application fee for each adult household member (18 years of age or older), which covers a credit check and criminal background screening. This is only due at time of Final Application and must be in the form of a money order or a certified bank check and must be made payable to Heritage Village at Moorestown.

11. Exactly how much money do I have to have available, and when?

When you submit your admission application you will need to submit a non-refundable application fee of $50.00 per adult applicant (18 years of age or older). At the time of your appointment with one of our team members to verify your income and assets you may be required to place a $250.00 holding fee on an apartment. This holding fee is only refundable if it is deemed your household does not qualify for the apartment based on income and asset information. If it is deemed you do qualify and you do not move in, the holding fee will not be refunded. Once your income and asset information has been third party verified and your file has been approved by the New Jersey Housing and Mortgage Finance Agency you will be required to sign a Lease and pay a security deposit in the amount of one and a half (1.5) month's rent, as well as pay your first month's rent.
