A new road into the community is being constructed, and upon completion, the property will have an address of 100 Blaszkia Terrace. There is a \$50 non-refundable application fee for each adult household member (18 years of age or older), which covers a credit check and criminal background screening. 8. Exactly how much money do I have to have available, and when?

When you submit your admission application you will need to submit a non-refundable application fee of \$50.00 per adult applicant (18 years of age or older). At the time of your appointment with one of our team members to verify your income and assets you will be required to place a \$100.00 deposit on an apartment. This deposit is only refundable if it is deemed your household does not qualify for the apartment based on income and asset information. If it is deemed you do qualify and you do not move in, the deposit will not be refunded. Once your income and asset information has been third party verified and your file has been approved by the New Jersey Housing and Mortgage Finance Agency you will be required to sign a Lease and pay a security deposit in the amount of one and a half (1.5) month's rent, as well as pay your first month's rent.
